Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance:

None of the prior art, when taken alone or in combination teaches nor renders obvious either the method steps or the financial transaction device recited within the claims. Specifically, none of the prior art discloses determining from the at least one data store through operation of the at least one computer responsive to the at least one characteristic feature, the at least one interface parameter associated with the user in the at least one data store as currently set forth in the independent claims 1, 32, 37, 38 and 44. Further, none of the prior art teaches or renders obvious the physical movement of the display screen based on said parameter.

5. These statements are not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
